WHY DO WE HAVE A HERO FUND?

The HERO fund ("HERO") was established almost 10 years ago by dedicated WHECES parents who wanted to "Help Education Remain Outstanding". Year after year, HERO has continued with their legacy to raise as much money as possible with tremendous success. While public schools are free, HERO proceeds are used as a supplement to help pay for additional resources including, but not limited to, programs and support staff. With the help of our generous WHECES families, we can continue to be recognized as one of the top schools in LAUSD.

WHAT IS THE GOAL?

With school budgets having many restrictions on how and where funds are to be allocated, all monies raised by HERO will help support programs such as the Computer Aide/Instructional Device Manager (who acts as instructional support for teachers and is this year's IT support), SEL (Social Emotional Learning) Support, professional development, campus beautification, arts integration programs for each grade level, library upgrade (i.e. flexible seating), a media center (to replace the computer lab), playground resurfacing, school safety, reference materials and so much more!

HOW MUCH DO YOU ASK EACH FAMILY TO DONATE TO THE HERO FUND?

Gifts of any amount are welcome and greatly appreciated. This year, the HERO Team created a new multi-level tier for all families to consider:
